ABOUT US

Athena Farms is an independent, owner managed, fresh approach to your wholesale produce, dairy & poultry needs. Our state of the art warehouse facility is located at the State Farmers Market in Forest Park, GA. We have been serving the foodservice needs of Atlanta's premier restaurants, caterers, hotels & country clubs for over 20 years. Our unique approach assures each customer the best in quality & service without sacrificing value.

What distinguishes Athena Farms from the competition? Athena Farms provides:

HAND SELECTED PRODUCTS

Route driver "hand picks" product to customer's specifications from one of the largest and best supplied markets in the Southeast. Thorough familiarity with customer needs. We have systems in place ranging from assigning a route driver to your account to in-house logs of past usage enabling us to meet your specific requirements.

"Just in time" processed products such as braizing mix, green leaf filets, and whole peeled potatoes are prepared to order by a local processor, within 24 hrs. of delivery.

Specialty Produce. We have access to a full line of specialty products from the Miami and L. A. markets. We also regularly utilize Dekalb Farmers Market, Harry's Farmers Markets and various oriental markets for hard to find specialty items.

SERVICE

Morning deliveries are available Monday through Saturday. Afternoon deliveries are available Monday through Saturday. Courteous delivery personnel who know the product and handle service needs.

Accessibility. We are eager to provide information and or handle any service needs. Office hours are Monday through Saturday 3-11:30 AM.

Personal contact. We will tailor our level of interaction with you to meet your needs. Daily phone call, weekly market trend information visit, etc.).

VALUE

Weekly pricing and market trend information (via facsimile, visit, etc.). 100% satisfaction guarantee on all products. Product that does not meet customers' expectations will be replaced or fully refunded. (notice must be given within 24 hrs. of receipt of product).

SAFETY

We have a fleet of well maintained "state of the art" refrigerated trucks to ensure product safety. Our warehouse facilities meet highest standards of cleanliness, pest control, etc. We are a "Disney approved vendor" having met their rigid requirements and inspections. We have a fully implemented 'product recall procedure' to be followed in the event a product recall is issued by a supplier, the Department of Agriculture, etc. We carry \$2,000,000.00 in liability coverage, Standard requirement of major hotel corporations (site specific certificate will be issued upon request).
